Dear Brothers and Sisters:

Over the past few months our organization has seen many changes at the international level. As we all know, these changes have been a long time coming and our craft is on the cusp of a new era of progress and technology.

To this, the International has been bringing new people into the organization to help move us forward. I have recently accepted a position as a Great Lakes International Representative. This role is primarily to assist Locals in the Great Lakes area in any manner needed.

Effective November 1, 2023, I shall resign as Business Manager. Scott Hollerud has been appointed by President Zeman as Business Manager and I have full confidence the Local is in good hands.

It has been an honor and privilege to serve as your Business Manager for these past 12 ½ years. I want to thank each one of you for your commitment to this craft and this great Local. We are the union, it's not one person, its all of us.

Respectfully,

Luke Voigt
